Welcome to the first edition of our product profile for Standard Aluminium Extrusions & Plate. Please find below a comprehensive portfolio of the range of products we can offer on short deliveries, subject to material remaining unsold. Free Machining Alloy and Grade 2014 Bars along with wallboard sections such as continual run, edge trim, external and internal corner are now available, details will be added shortly to this product profile. If you purchase bespoke profiles we can provide a stockholding and fabrication supply option. At Ace we have accurate cutting equipment and we will cut and supply short of full lengths. Visit our new website to find out more about us. Please do not hesitate to contact our experienced sales team with any requirements you may have.
